Dear Participant,

Thank you for your participation in the Proficiency Testing Study on Loss on drying (PTS156). You will receive very soon, via our extranet system, the preliminary report on the results after statistical evaluation (PA/PH/PTS (15) 7).

Your laboratory code is 101.

Please check the tables in the report carefully to verify that your results are correctly recorded. Any corrections and/or comments on the presentation and conclusion must be received by 4 June 2015.

Thank you for your cooperation.

Best regards,
